(Juneau) – Prior to the season ADF&G set a harvest quota for the Gustavus area registration moose hunt, RM049, of 14 bulls for harvest in this hunt. This quota was met on the evening of October 2, 2023. We are instituting an Emergency Order closing the season at 11:59 pm October 3, 2023 because this year's quota has been filled.

The remaining registration moose regulations in Unit 1C are unchanged and are not affected by this Emergency Order.
