Note: Calendar Year 2016 license & tag sales were abnormally high. This was due to a pending fee increase taking effect as of January 1, 2017.

2017 & 2018 licenses & tags were made available for purchase in late 2016 at the prior/lesser fee schedule, resulting in an exceptional amount of future year purchases. In turn, calendar year 2017 sales were abnormally low.
