<b>Part 2: Project Information</b>
------------------------------------

For each project, please provide all information requested below (text boxes will expand as needed).

- Minor changes include small changes to sample sizes, species, locations, etc. Describe the proposed changes in the box provided and include a brief justification.
- Major changes include substantially expanding the scope of an existing project. For major changes and new projects, please provide a brief summary of all activities for which you are requesting a permit, including dates and locations of field work, species, sample sizes, marking, surgical, or other procedures, biological samples to be taken, and final disposition of specimens. You must also attach a study plan.

IACUC Status: All renewals, amendments, and new projects require submission of a current IACUC approval *that includes the proposed changes*. For more information, see the Policy and Requirements for Scientific Permits or call the Permits Section at (907) 465-4148.

Study Plan: Please check the box if study plan is attached (required for major changes and new projects only).

Completed applications should be emailed to [dfg.dwc.permits@alaska.gov](mailto:dfg.dwc.permits@alaska.gov) or mailed to Alaska Dept. of Fish & Game/Wildlife, Permits Section, P.O. Box 110024, Juneau, AK 99811-0024.
