

PROPOSAL 148 – 5 AAC 09.369. Northern District Salmon Fisheries Management Plan.
Allow commercial fishing for salmon with drift gillnet gear in the Ilnik Section, as follows:

5 AAC 09.369 is amended to read:

To allow drift gear in the Ilnik Lagoon section from June 1 thru September 30. Openings will be Monday morning 6:00 a.m. to Thursday midnight and closures will be Friday to Monday morning at 6:00 a.m.

What is the issue you would like the board to address and why? I would like to open up Ilnik Lagoon section on the north side of the Alaska Peninsula for driftnet fishing on the inside of the lagoon. The reason why is to have another area to fish when the wind is blowing gale force wind. This peninsula can also give the drift fleet more area to fish. It can also help control escapement.
