

PROPOSAL 38 – 5 AAC 06.370. Registration and reregistration. Change registration requirements for fisheries under emergency order conditions and change the registration date for the Naknek-Kvichak, Egegik, and Ugashik districts from June 25 to June 18, as follows:

Blue card registration needs to be dropped in a district that is in emergency order (EO) fishing conditions.

1. To alleviate the going back and forth from district to district in the early season, a vessel needs to declare a district if the area goes to EO openings. Making the 48-hour transfer to get out of that area mandatory to fish a free and open area that has not gone on Emergency Order.

2. To change the drop date of the blue card to June 18th (moved up 7 days). The salmon season is under full swing as of that date and ADF&G should be under full control of the districts earlier than the current date of June 25th. Making the EO to all rivers systems on June 18th.

What is the issue you would like the board to address and why? District Blue card registration for district fishing
