

PROPOSAL 60

5 AAC 47.xxx. New section.

Establish a guided sport ecotourism Dungeness crab fishery in Sitka Sound, as follows:

I would like to be able to take clients on eco tours in the Sitka Sound Special Use Area. On these tours I would like to pull pre set crab pots and or rings, for viewing purposes only.

I do not intend to retain anything so I would like to save my clients money and save them from purchasing a sport license.

What is the issue you would like the board to address and why? I propose a guided sport ecotourism Dungeness crab fishery similar to the one in George Inlet near Ketchikan. Except I propose the ability to deregister and reregister for the commercial crab fishery as opposed to being registered for a full calendar year.
