

Upper Cook Inlet Finfish Proposal Index (171 proposals)

Management Plans and Goals (8 proposals)	87
PROPOSAL 78	
Amend the <i>Upper Cook Inlet Salmon Management Plan</i> to include weighted criteria for the allocation of fishery resources.....	87
PROPOSAL 79	
Establish a personal use priority for Cook Inlet salmon fisheries.....	88
PROPOSAL 38	
Create a king salmon management plan with paired restrictions in Upper and Lower Cook Inlet commercial fisheries	88
PROPOSAL 37	
Create a king salmon management plan with paired restrictions in Kodiak and Cook Inlet commercial fisheries	89
PROPOSAL 80	
Prohibit retention of king salmon greater than 36” in the Upper Cook Inlet commercial gillnet fisheries	89
PROPOSAL 81	
Manage fisheries in Upper Cook Inlet by designating types of salmon habitat.....	90
PROPOSAL 82	
Allow two regular 12-hour commercial fishing periods per week.....	92
PROPOSAL 83	
Close all commercial fishing in Upper Cook Inlet.....	92
Cook Inlet Area-wide Sport and Personal Use (6 proposals)	92
PROPOSAL 84	
Clarify the requirement of immediately releasing king salmon over 20 inches.....	92
PROPOSAL 9	
Establish a seasonal limit of five king salmon in Cook Inlet from October 1—April 30	93
PROPOSAL 15	
Prohibit reselling of guide services by anyone other than licensed guides.....	93
PROPOSAL 85	
Limit the prosecution of fishing derbies	94
PROPOSAL 86	
Establish resident and non-resident annual limits for sockeye salmon in the Cook Inlet Area	94
PROPOSAL 87	
Eliminate the personal use salmon dip net fishery and prohibit catch and release fishing for salmon in the Kenai Peninsula area.....	95
Kenai River Late-Run Sockeye Salmon Management Plan (16 proposals)	95

PROPOSAL 88	
Amend the <i>Kenai River Late-Run Sockeye Salmon Management Plan</i> to increase inriver goal ranges.....	95
PROPOSAL 89	
Amend the <i>Kenai River Late-Run Sockeye Salmon Management Plan</i> to manage primarily for sport, personal use and guided sport anglers and increase the sustainable escapement goal range to 1,300,000-1,750,000 salmon	96
PROPOSAL 90	
Amend the <i>Kenai River Late-Run Sockeye Salmon Management Plan</i> to manage primarily for sport, personal use and guided sport anglers; increase the sustainable escapement goal; and limit commercial fishing periods	99
PROPOSAL 91	
Lower the Kenai River late-run sockeye salmon sustainable escapement goal	101
PROPOSAL 92	
Reduce the Kenai River late-run sockeye salmon escapement goal range to 450,000-750,000 salmon	102
PROPOSAL 93	
Manage the personal use dip net fishery on the lower Kenai River subject to achieving the inriver goal	102
PROPOSAL 94	
Implement an additional 24-hour closure in the Upper Subdistrict set gillnet fishery at run strengths greater than 4,600,000 Kenai River sockeye salmon	103
PROPOSAL 95	
Amend the <i>Kenai River Late-Run Sockeye Salmon Management Plan</i> to remove and replace the provision to manage for commercial uses with a provision to manage for commercial, sport, and personal use groups	104
PROPOSAL 96	
Increase the Kenai River sockeye salmon inriver goal, increase the sport limits, and pair closures.....	105
PROPOSAL 97	
Create sport and personal use allocations of sockeye on the Kenai and Kasilof Rivers	106
PROPOSAL 98	
Establish an annual limit for the Kenai River sockeye salmon sport fishery.....	107
PROPOSAL 99	
Establish mandatory closed inriver fishing windows for sockeye salmon.....	107
PROPOSAL 100	
Amend the <i>Kenai River Late-Run Sockeye Salmon Management Plan</i> to open commercial fishing periods to stay within ten percent of daily inseason run projections	108
PROPOSAL 101	
Amend the preamble to the <i>Kenai River Late-Run Sockeye Salmon Management Plan</i> by removing minimize language and adding a provision for common property fishery harvest	109

PROPOSAL 102	
Amend the <i>Kenai River Late-Run Sockeye Salmon Management Plan</i> to manage for the lower bound of the sustainable escapement goal and replace inriver goals with allocation ranges	110
PROPOSAL 103	
Make numerous amendments to the <i>Kenai River Late-Run Sockeye Salmon Management Plan</i>	111
Kenai River Late-Run King Salmon Management Plan (11 proposals)	111
PROPOSAL 104	
Adopt an optimal escapement goal and amend the paired restrictions in the <i>Kenai River Late-Run King Salmon Management Plan</i>	111
PROPOSAL 105	
Increase the Kenai River late-run king salmon sustainable escapement goal range to 15,000-35,000 salmon	114
PROPOSAL 106	
Increase the Kenai River late-run king salmon sustainable escapement goal range to 15,000–35,000 salmon	115
PROPOSAL 107	
Allow the use of bait and modify maximum size above Slikok Creek when the escapement goal range is projected to be exceeded	116
PROPOSAL 108	
Reduce the number of hours the Upper Subdistrict set gillnet commercial fishery may be fished in the <i>Kenai River Late-Run King Salmon Management Plan</i> paired restrictions	116
PROPOSAL 109	
Allow set gillnet fishing periods in the Kenai and Kasilof sections to be managed independently when under “paired” restrictions	117
PROPOSAL 110	
Modify "paired" restrictions to limit gear in the Upper Subdistrict set gillnet fishery only when retention of king salmon is prohibited in the Kenai River sport fishery	118
PROPOSAL 111	
Remove “paired” restrictions in the Upper Subdistrict set gillnet fishery	119
PROPOSAL 112	
Remove gear restrictions in the Upper Subdistrict commercial set gillnet fishery when the use of bait is prohibited in the sport fishery	119
PROPOSAL 113	
Establish paired restrictions to close personal use fisheries when commercial fisheries are closed.....	120
PROPOSAL 114	
Modify the <i>Kenai River Late-Run King Salmon Management Plan</i>	120
Kenai River Late-Run King Salmon Management Plan and Kenai River and Kasilof River Early-run King Salmon Management Plan (2 proposals)	122

PROPOSAL 115	122
Allow the use of bait in the Kenai River king salmon sport fishery when the fishery is restricted to catch and release.....	122
PROPOSAL 116	123
Limit sport fisheries for king salmon on the Kenai River based on inseason abundance	123
Commercial (26 proposals)	124
<i>Kasilof River Salmon Management Plan (6 proposals)</i>	124
PROPOSAL 117	
Increase open waters from within 600 feet of mean high tide to within 1,200 feet of mean high tide as a restrictive option in the Kasilof Section set gillnet fishery after July 8.	124
PROPOSAL 118	
Amend the <i>Kasilof River Salmon Management Plan</i> to include the Kasilof River biological escapement goal	124
PROPOSAL 119	
Eliminate the Kasilof River sockeye salmon optimal escapement goal.....	125
PROPOSAL 120	
Remove the Kasilof River Special Harvest Area from (c)(4) of the <i>Kasilof River Salmon Management Plan</i>	125
PROPOSAL 121	
Amend the <i>Kasilof River Salmon Management Plan</i> to prioritize achieving the lower end of the Kenai River late-run king salmon escapement goal.....	126
PROPOSAL 122	
Create a commercial dip net fishery in the Kasilof River	127
<i>Central District Drift Gillnet Fishery Management Plan (13 proposals).....</i>	128
PROPOSAL 123	
Rename Drift Gillnet Area 2 to the "Conservation and Northern District Allocation Sanctuary Area"	129
PROPOSAL 124	
Amend the purpose of the <i>Central District Drift Gillnet Fishery Management Plan</i> to include inriver users	129
PROPOSAL 125	
Amend the <i>Central District Drift Gillnet Fishery Management Plan</i> and include inseason assessments.....	130
PROPOSAL 126	
Close the Central District drift gillnet fishery corridor	131
PROPOSAL 127	
Amend the <i>Central District Drift Gillnet Fishery Management Plan</i> to allocate 60-80% of northern-bound sockeye and coho salmon harvests to Northern Cook Inlet fisheries	131
PROPOSAL 128	
Amend the <i>Central District Drift Gillnet Fishery Management Plan</i> to remove the provision to minimize the commercial harvest of Northern District and Kenai River coho salmon and add a provision for reasonable opportunity for common property fishery harvest	132

PROPOSAL 129	133
Allow the commissioner to limit Central District drift gillnets to less than 150 and 200 fathoms in length and 29 meshes in depth	133
PROPOSAL 130	133
Allow commercial fishing with drift gillnets in the Chinitna Bay subdistrict starting August 15	133
PROPOSAL 131	134
Remove restrictions to the drift gillnet fishery so that the fishery would occur during two inlet-wide fishing periods per week	134
PROPOSAL 132	134
Remove restrictions to the drift gillnet fishery so that the fishery would occur during two inlet-wide fishing periods per week	134
PROPOSAL 133	135
Amend the <i>Central District Drift Gillnet Fishery Management Plan</i> with additional mandatory area restrictions to regular fishing periods	135
PROPOSAL 134	136
Add Drift Gillnet Area 1 to the list of sections that are allowed to be fished during additional fishing time July 16–31 in the <i>Central District Drift Gillnet Fishery Management Plan</i>	136
PROPOSAL 135	136
Allow one additional regular fishing period in the Central District drift gillnet fishery July 24–31	136
<i>Cook Inlet Pink Salmon Management Plan (2 proposals)</i>	136
PROPOSAL 136	137
Open two additional inlet-wide fishing periods per week between July 24 and August 15 in even-numbered years	137
PROPOSAL 137	137
Repeal and readopt the <i>Cook Inlet Pink Salmon Management Plan</i> to manage for commercial priority and 40–70% exploitation rate.....	137
<i>Drift Gillnet Fishing Periods, Closed Waters, and Gear (4 proposals)</i>	137
PROPOSAL 138	137
Establish drift gillnet weekly fishing periods in the Chinitna Bay Subdistrict	137
PROPOSAL 139	138
Close the drift gillnet salmon fishery in Chinitna Bay.....	138
PROPOSAL 140	138
Allow a dual-permit vessel to have 200 fathoms of gear on board while in Chinitna Bay subdistrict, but fish with no more than 150 fathoms of gear in the subdistrict at any time	138
PROPOSAL 141	139
Allow a vessel to carry more than a legal complement of gillnet gear in the Cook Inlet Area	139
<i>Cook Inlet Coho Salmon Management Plan (1 proposal)</i>	140
PROPOSAL 142	140
Create a commercial set gillnet fishery for coho salmon in the Upper Subdistrict.....	140
Sport (28 proposals)	141

<i>Kenai and Kasilof Rivers Sport (12 proposals)</i>	141
PROPOSAL 143	
Clarify the fishing season for king salmon less than 20 inches in length on the Kasilof River	141
PROPOSAL 144	
Align spring sport fishing dates for Bishop and Bench Creeks	142
PROPOSAL 145	
Allow sport, personal use, and subsistence fishing for sockeye salmon on the Kenai River until August 15	142
PROPOSAL 146	
Increase the sockeye salmon limit to six fish per day in the Kenai River when the commercial fishery is open	143
PROPOSAL 147	
Prohibit fishing for salmon on the upper Kenai River after taking the bag limit for that day	143
PROPOSAL 148	
Allow two unbaited, single-hook, artificial flies and limit hook size throughout the Kenai River drainage	144
PROPOSAL 149	
Prohibit catch and release fishing for king salmon on the Kenai River	144
PROPOSAL 150	
Require retention of sockeye salmon caught in the Kenai River	145
PROPOSAL 151	
Allow retention of sockeye salmon snagged on the Kenai River	145
PROPOSAL 152	
Prohibit barbed hooks when fishing in the Kenai River drainage.....	146
PROPOSAL 153	
Increase the bag limit for the Kenai River coho salmon sport fishery to three fish July 1 – August 31	147
PROPOSAL 154	
Increase limits for Kenai River coho salmon from two to three fish	147
<i>Guides and Motorized Uses (16 proposals)</i>	148
<i>Definitions (1 proposal)</i>	148
PROPOSAL 14	
Modify the definition of bag limit to include fish landed but not originally hooked by an angler	148
<i>Kasilof River Guiding and Guided Fishing Requirements (3 proposals)</i>	148
PROPOSAL 155	
Allow sport fishing guides to sport fish while a client is present from the banks of the Kasilof River	148
PROPOSAL 156	
Allow sport fish guides to sport fish on the Kasilof River from shore while a client is present	150
PROPOSAL 157	
Limit the number of client groups per guide or guide vessel on the Kasilof River in July	150

<i>Kenai River Guiding and Guided Fishing Requirements in the Kenai River Drainage Area (5 proposals)</i>	150
PROPOSAL 158	
Prohibit sport fishing guides from sport fishing from shore while a client is present .	150
PROPOSAL 159	
Allow five anglers per vessel used for guided sport fishing on the Kenai River in July	151
PROPOSAL 160	
Allow transport of more than five persons per vessel used for guided sport fishing on the Kenai River in July.....	151
PROPOSAL 161	
Allow sport fishing from a guide vessel on the Kenai River on Mondays in August..	152
PROPOSAL 162	
Remove restrictions to guided sport vessels on the Kenai River when the king salmon sport fishery is closed.....	152
<i>Upper Cook Inlet Personal Use Salmon Fishery Management Plan (1 proposal)</i>	152
PROPOSAL 163	
Prohibit guiding in the Kenai and Kasilof Rivers personal use dip net fishery	152
<i>Kenai and Kasilof Rivers Motorized Uses (6 proposals)</i>	153
PROPOSAL 164	
Prohibit motorized vessels on the Kenai River from Skilak Lake to the Soldotna Bridge May 1 – August 31	153
PROPOSAL 165	
Prohibit sport fishing from a motorized vessel on the lower Kenai River on Thursdays in July	154
PROPOSAL 166	
Prohibit sport fishing from a motorized vessel on the lower Kenai River on Thursdays in July	154
PROPOSAL 167	
Allow sport fishing from a vessel with a motor on board but not in use on the Kenai River on Mondays in July	155
PROPOSAL 168	
Prohibit motorized vessels on the Kenai River	156
PROPOSAL 169	
Prohibit motorized vessels on a section of the Kasilof River January 1—September 15	157

Upper Cook Inlet Personal Use Salmon Fishery Management Plan (5 proposals)157

PROPOSAL 170	
Move the ADF&G regulatory marker for personal use dipnetting on the Kasilof River north shore beach	157
PROPOSAL 171	
Reduce the Kenai River personal use bag limit for king salmon to one salmon less than 36” in length.....	158

PROPOSAL 172	
Limit personal use dipnetting on the Kenai River by day of the week	159
PROPOSAL 173	
Reduce the annual limit for the Kenai River dip net fishery and create tiered harvest quotas	159
PROPOSAL 174	
Prohibit set gillnets in the personal use salmon fishery if the king salmon sport fishery in the Kenai or Kasilof Rivers is restricted	161
Upper Subdistrict Set and Drift Gillnet (24 proposals).....	161
<i>Fishing Seasons (11 proposals).....</i>	161
PROPOSAL 175	
Allow commercial fishing with set gillnets in the North Kalifonsky Beach area starting July 1	161
PROPOSAL 176	
Allow commercial fishing with set gillnets in the North Kalifonsky Beach area starting July 8	162
PROPOSAL 177	
Open the North Kalifornsky Beach set gillnet fishery with the Kasilof section and limit the fishery to within 600 feet of the mean high tide.....	163
PROPOSAL 178	
Permanently close drift gillnetting in the Upper Subdistrict within one mile of mean high tide north of the Kenai River and within one and one-half miles of mean high tide south of the Kenai River	164
PROPOSAL 179	
Extend the commercial salmon fishery season closing date in the Kenai and East Forelands Sections August 15 – September 15	165
PROPOSAL 180	
Allow regular weekly fishing periods after August 15 in the Upper Subdistrict sockeye salmon set gillnet fishery based on abundance	166
PROPOSAL 181	
Delay all Upper Cook Inlet set and Central District drift gillnet commercial fishing opening dates.....	167
PROPOSAL 182	
Open the Kasilof Section commercial set gillnet fishery June 20 instead of June 25..	167
PROPOSAL 183	
Extend the Upper Subdistrict commercial set gillnet season to August 20	168
PROPOSAL 184	
Open extra commercial fishing periods at a set time of 7 a.m. in the Upper Subdistrict set net fishery.....	169
PROPOSAL 185	
Open the Kasilof Section set gillnet fishery June 20 instead of June 25 provided an estimated 20,000 sockeye salmon are in the Kasilof River.....	169
<i>One-Percent Rule (11 proposals)</i>	170

PROPOSAL 186	
Eliminate the one percent rule in both Upper Subdistrict set and Central District drift gillnet fisheries	170
PROPOSAL 187	
Eliminate the one percent rule in the Central District drift gillnet fishery and create mandatory area restrictions based on escapement goals	171
PROPOSAL 188	
Eliminate the drift gillnet one-percent rule	172
PROPOSAL 189	
Eliminate the one-percent rule in the Central District drift gillnet fishery	173
PROPOSAL 190	
Eliminate the one percent rule in the Upper Subdistrict set gillnet fishery.....	173
PROPOSAL 191	
Eliminate the one percent rule in the Upper Subdistrict set gillnet fishery.....	174
PROPOSAL 192	
Amend the one percent rule in the Upper Subdistrict set gillnet fishery to apply starting July 31 instead of August 7	174
PROPOSAL 193	
Amend the one percent rule to a three percent rule beginning August 1 in Cook Inlet Area subdistricts.....	175
PROPOSAL 194	
Amend the one percent rule to a three percent rule for both Upper Subdistrict set and Central District drift gillnet fisheries	176
PROPOSAL 195	
Amend the Upper Subdistrict set gillnet one percent rule to a two percent rule beginning July 31 instead of August 7	176
PROPOSAL 196	
Remove mandatory closed fishing periods or "windows" in the Upper Subdistrict set gillnet fisheries	177
<i>Regulatory Alignment (2 proposals)</i>	177
PROPOSAL 197	
Provide waypoint locations for landmark names and modify waypoint locations in Chinitna Bay.....	177
PROPOSAL 198	
Amend waypoint descriptions and provide coordinates for landmark names	178
Northern District King Salmon Management Plan (5 proposals)	
.....	180
PROPOSAL 199	
Amend the <i>Northern District King Salmon Management Plan</i>	180
PROPOSAL 200	
Close the Northern District commercial king salmon fishery when the sport fishery in the Susitna or Knik Arm drainages are restricted	181
PROPOSAL 201	
Amend paired restrictions in the Deshka River king salmon sport and commercial fisheries	182

PROPOSAL 202	
Amend the <i>Northern District King Salmon Management Plan</i> to allow operation of one set gillnet per permit.....	182
PROPOSAL 203	
Provide additional fishing periods in the Northern District king salmon commercial fishery when the Deshka River king salmon sport fishery is liberalized.....	183
Northern District Salmon Management Plan (4 proposals)	184
PROPOSAL 204	
Amend the <i>Northern District Salmon Management Plan</i> to specify management priority of sockeye, pink, and chum salmon includes inriver users	184
PROPOSAL 205	
Clarify the definition of “minimize” in the <i>Northern District Salmon Management Plan</i>	185
PROPOSAL 206	
Amend the <i>Northern District Salmon Management Plan</i> to allow for regular amounts of set gillnet gear in the Northern District commercial sockeye salmon fishery during times of reduced effort in the Central District	186
PROPOSAL 207	
Remove the Eastern Subdistrict gear restrictions in the <i>Northern District Salmon Management Plan</i>	186
Westside Cook Inlet Commercial (5 proposals)	187
<i>Big River Sockeye Salmon Management Plan (2 proposals).....</i>	187
PROPOSAL 208	
Modify description of waters open to fishing	187
PROPOSAL 209	
Amend the waypoint location for Light Point on Kalgin Island.....	188
<i>Closed Waters and Gear (2 proposals).....</i>	189
PROPOSAL 210	
Close waters to drift gillnetting on the west side of Cook Inlet within one mile of shore from the West Forelands to Sea Otter Point.....	189
PROPOSAL 211	
Eliminate the four set gillnet per person limit.....	189
<i>Cook Inlet Smelt Fishery Management Plan (1 proposal).....</i>	190
PROPOSAL 212	
Eliminate the requirement to obtain a commissioner's permit for the Cook Inlet Smelt fishery.....	190
Northern Cook Inlet Sport, Personal Use and Subsistence (31 proposals)	190
<i>Northern Pike Fishery General Provisions (2 proposals).....</i>	190
PROPOSAL 213	
Allow anglers to use 5 lines while fishing for northern pike through the ice	191

PROPOSAL 214	
Prohibit live release of northern pike in the Anchorage Bowl and Knik River drainages	194
<i>Susitna River Drainage Area (10 proposals)</i>	194
PROPOSAL 215	
Create a Susitna and Yentna Rivers King Salmon Fishery Management Plan	194
PROPOSAL 216	
Create a Deshka River large king salmon optimum escapement goal	197
PROPOSAL 217	
Create a Deshka River King Salmon Fishery Management Plan	198
PROPOSAL 218	
Create an optimal escapement goal for McRoberts Creek coho salmon of 450-1,400 fish	200
PROPOSAL 219	
Create a Little Susitna River King Salmon Fishery Management Plan	200
PROPOSAL 220	
Prohibit retention of rainbow trout and the use of bait in the Lake Creek drainage	202
PROPOSAL 221	
Extend the use of bait to September 11 in Unit 2 of the Susitna River Drainage Area sport fishery	203
PROPOSAL 222	
Allow fishing for resident species on days closed to king salmon fishing in Unit 2	203
PROPOSAL 223	
Allow more than one unbaited, single-hook, artificial lure in the Susitna River	204
PROPOSAL 224	
Allow more than one unbaited, single-hook, artificial lure in the rainbow trout fishery throughout the Susitna River Drainage	206
<i>Knik Arm Drainage Area (5 proposals)</i>	207
PROPOSAL 225	
Limit retention of king salmon in the Eklutna Tailrace to hatchery fish	207
PROPOSAL 226	
Require retention of coho salmon caught in the Little Susitna River sport fishery	208
PROPOSAL 227	
Open additional days in the sport fishery in the Fish Creek drainage	209
PROPOSAL 228	
Prohibit fishing while wading in Fish Creek	210
PROPOSAL 229	
Extend the hours of the Ship Creek youth fishery	210
<i>Anchorage Bowl Drainage Area (1 proposal)</i>	211
PROPOSAL 230	
Allow retention of snagged sockeye salmon in the Big River Lakes and Wolverine Creek	211
<i>Westside Cook Inlet Area (3 proposals)</i>	211
PROPOSAL 231	
Establish limits in the Big River Drainage of two salmon 16" or greater in length	211

PROPOSAL 232	
Close a section of the south fork of Big River to sport fishing.....	212
PROPOSAL 233	
Allow fishing for fish, other than salmon, in upper Threemile Creek and the Threemile Lake outlet.....	212
<i>Upper Cook Inlet Personal Use (8 proposals)</i>	213
PROPOSAL 234	
Create a personal use salmon fishery on the Susitna River.....	213
PROPOSAL 235	
Create a lower Susitna River personal use dip net fishery	213
PROPOSAL 236	
Create a Susitna River personal use dip net fishery	214
PROPOSAL 237	
Create a Susitna River personal use dip net fishery	215
PROPOSAL 238	
Create a personal use dip net fishery in Unit 1 of the Susitna River Drainage.....	216
PROPOSAL 239	
Establish a personal use gillnet pike fishery in the Matanuska-Susitna Valley	217
PROPOSAL 240	
Create a personal use northern pike gillnet fishery in the Susitna River drainage.....	217
PROPOSAL 241	
Establish provisions for the personal use of aquatic plants in the Anchorage-Matsu-Kenai Nonsubsistence Area	218
<i>Subsistence (2 proposals)</i>	218
PROPOSAL 242	
Allow two additional fishing days per week in the Upper Yentna River subsistence salmon fishery	219
PROPOSAL 243	
Allow the harvest of other salmon in place of king salmon in the Tyonek Subdistrict subsistence fishery.....	219
