

PROPOSAL 185

5 AAC 56.122. Special provisions for the seasons, bag, possession, annual, and size limits, and methods and means for the Kenai Peninsula Area

Allow only unbaited, single-hook artificial lures in the Kasilof River as follows:

Single hook and no bait from January 1st to June 30th from the upstream Tustamena boat launch down to the Sterling Highway bridge.

What is the issue you would like the board to address and why? Would like to protect any wild stocks as well as make sure that a catch and release fishery does not have the use of bait allowed.
