

PROPOSAL 3

5 AAC 58.055. Upper Cook Inlet Summer Salt Water King Salmon Management Plan and 5 AAC 21.359. Kenai River Late-Run King Salmon Management Plan.

Amend the management plans for the Upper Cook Inlet Summer and Kenai River late-run king salmon fisheries as follows:

The late run king salmon sport fishery in Lower Cook Inlet along the beach from Anchor Point to Deep Creek will be open for harvest in July if the commercial set net fishery along the beach in Upper Cook Inlet is open.

What is the issue you would like the board to address and why? The sport fishery using hooks for late run king salmon in Lower Cook Inlet being closed while the set net commercial fishery in upper cook inlet being open for king salmon harvest using nets.
