

PROPOSAL 89

5 AAC 21.359. Kenai River Late-Run King Salmon Management Plan.

Prohibit nonresident anglers from participating in the Kenai River Late-Run king salmon fishery as follows:

5 AAC 21.359

...

(c)

...

(4) The late run Kenai River king salmon fishing is closed to non-resident sports fishermen

What is the issue you would like the board to address and why? The low returns of late run Kenai River king salmon should be closed to nonresident sports fishermen the same as king fish is closed to non-resident sports fishermen in Kodiak and Southeast Alaska.

PROPOSED BY: Central Peninsula Fish and Game Advisory Committee (HQ-F23-029)
