Dear Board of Game:

We are writing to request that you vote "yes" to stop bear snaring ^(proposal 105) and "yes" to create a no-trapping zone adjacent to Kenai (proposal 86)

- ① Scientists agree that bear snaring is indiscriminate and not biologically sustainable.
- ② Bear snaring tarnishes Alaska's image and thus hurts tourism. Visitors ^{come} to Alaska and especially Kenai to see wildlife, especially bear and wolves that they can't see other places.
- ③ Opportunities to see bear + wolves are declining for tourists costing the state thousands of dollars by decreasing tourism.

Please vote "yes" on proposals 105 and

86.

Sincerely,

Virginia DeVries
Cynthia Jones
