

*Note: Alaska Statute 16.05.340 establishes fees for hunting permits.*

**PROPOSAL 136**

**5 AAC 92.050. Required permit hunt conditions and procedures.**

Limit bison and musk ox drawing permit hunts to once in a lifetime, and only allow applicants to apply once per hunt as follows:

First, make it a lifetime hunt, one and done. Second, get rid of the multiple chance drawings and just increase the price to \$50.00 for a chance. It would still create plenty of revenue and there would be folks still trying to get this fabulous draw.

**What is the issue you would like the board to address and why?** Since the musk ox and the bison tags are so hard to get; why doesn't the state do two things for the hunters to give them a realistic chance to hunt these animals.

I have been putting in for this draw for 18 years and not successful and yet others have had multiple draws to hunt them. There is also another option to make it a one per household also. I just read today where my co-worker and husband both drew for bison. It is just my opinion but I would like a real chance to get one. Thanks for letting me vent.

**Did you develop your proposal in coordination with others, or with your local fish and game advisory committee?** We often talk about it at work and with others that I am friends with that share my concerns.
