

**PROPOSAL 85**

**5 AAC 92.013 Migratory bird hunting guide services.**

Change the definition for migratory bird hunting guide services to include transporter services as follows:

**5 AAC 92.013 Migratory bird hunting guide services.**

...

(c) For purposes of this section,

(1) “migratory bird hunting guide” means a person who provides migratory bird hunting guide services;

(2) “migratory bird hunting guide services” means to assist **or transport**, for compensation or with the intent to receive compensation, a migratory bird hunter to take or attempt to take migratory birds by accompanying, **transporting**, or personally directing the hunter in migratory bird hunting activities:

(3) “person” includes a business entity **or affiliated services such as water taxi, air taxi, fishing charter outfitters; combo hunting/fishing boats; or lodges; when serving small game hunters to, from, or in the field; their equipment; or migratory birds harvested.**

**What is the issue you would like the board to address and why?** There are many different migratory bird hunting guide services not providing registration forms required by the department under 5 AAC 92.013 for basic information on who and where commercially compensated migratory bird hunting services are taking place.

**Did you develop your proposal in coordination with others, or with your local fish and game advisory committee?**
