

PROPOSAL 90

5 AAC 92.003. Hunter education and orientation requirements.

Require all goat hunters to pass an online mountain goat quiz prior to hunting as follows:

Existing regulation:

If you are planning to hunt goats in Units 1, 4, 5, 6C, or 6D you are required to pass the online mountain goat quiz prior to hunting.

Proposed regulation

All goat hunters are required to pass the online mountain goat quiz prior to hunting.

What is the issue you would like the board to address and why? Increase hunter awareness and training in sex identification of mountain goats to help reduce female harvest. Reduced female harvest supports greater populations and more opportunity for hunters.

Did you develop your proposal in coordination with others, or with your local fish and game advisory committee? No.
